RE: Transportation for Livable Communities (TLC) Grant Application for East Side
Community Transit Connectivity Project
Amount of Grant Request: \$2,220,810

Dear Mr. Weiss:

Congratulations! You are receiving this letter because your application submitted to MTC's
Transportation for Livable Communities Program is being considered for funding.

The award amount will be approximately \$2,221,000.

Your award was modified due to the following budget considerations:

- No comments

As a condition of approval, the scoring committee and MTC staff has requested adding the
following scope and/or design modifications to your project:

- Where possible reduce traffic lanes to 11' wide and give extra space to bike lanes and
sharrows.

- At the San Carlos Street intersection move the taxi stand out of the intersection to make
the whole intersection pedestrian realm.

Please sign and date in the space below indicating that you agree to these conditions and ensure
that your project will be delivered with these elements addressed to the best of staff capability.
Please return a signed copy of this letter no later than July 28, 2010. The draft TLC Program
goes to MTC's Programming and Allocations Committee for approval on July 14, 2010. If you
have any questions, please contact Annie Young, ayoung@mtc.ca.gov or 510.817.5754.

Sincerely,

Signed:

Doug Johnson, Senior Planner
